ONEPOLE  
Zaptec

Complete EV  
charging infrastructure

Sustainable  
production

Future  
proof

### Product Information

Zaptec and ONEPOLE is working together to bring forward the best in EV infrastructure. The collaboration brings forward eight readymade pedestals to meet your every EV charging needs. From one charging station up to four per pedestal. Including roof and options for area light.

The ONEPOLE pedestal is made from high quality seawater resistant aluminium. Ready for any environment.

### Maintenance and cleaning

The ONEPOLE products must be cleaned with mild soap water and a damp cloth to avoid scratches.

**NB:** Do not use steel wool, a steel brush, chlorine or harsh cleaning agents in the cleaning process.

### Maintenance interval

In highly polluted areas or close to the sea, the aluminum should be washed at least every 3-6 months.

#### Country of origin
